

The ANGLIO-ITALIANO CLUB

THE Anglo-Italian Club—to be started dopo la guerra—is to provide social and gastronomic opportunities for repatriated members of H.M. Forces. On the mangiare side there will be pasta, gnocchi, ravioli, risotto, minestrone, fritti misto, finocchio, crostini and zuppa. On the hydraulic side there will be chlorinated aqua to encourage the more serious agenda which will range from savage slugs of strega to fountains of lacrima christi, vermouth, marsala, grottaferrata and fierce jabs of fiori alpini and grappa. Until then—ARRIVEDERCI!
